Dear John,

Thank you for your generous golf outing fundraiser donation of \$377 towards JA programs in Warrick County. Since 1964, Junior Achievement of Southwestern Indiana has been helping youth build a foundation of financial security and career accomplishment, and shaping the kids of today into the entrepreneurs of tomorrow!

This year, JA is celebrating 50 years of inspiring countless young people, and our donors and volunteers are the reason for this success. The programs delivered by business and community volunteers help students connect classroom learning with real life application. JA is providing students with 21st century skills such as teamwork and problem solving that will equip them to be successful in the global marketplace

Your support helps make financial literacy, work readiness and entrepreneurship an attainable reality for local students. We believe it's the most important investment you will make all year!

Sincerely,

Theo Boots Thanks for your support!
